September 6, 2017

Dear Parents/Guardians:

A service dog is a type of assistance dog specifically trained to help people who have a disability.

This letter is to inform you that effective September 7, 2017 a service dog will be accompanying one of our students to school. The dog is an ADA certified service dog and districts' are required to allow access and accommodations for service dogs. Your child may come into contact with the dog throughout the day, but it should not be a distraction to the learning environment. The dog has been well trained and is up to date on all appropriate vaccinations.

It is important that we consider the needs of all of our students regarding the service dog. If your child should have animal allergies or have an unusual fear of dogs, please contact part of the Lane Administration either Mr. Antholine (Students A-L) or Mrs. Kayzar (Student M-Z) at 414-329-6610 so that appropriate accommodations can be made for your child if needed.

Sincerely,

Lane Administrative Team

Mr. Antholine

Mrs. Kayzar
